

# Student Affairs

*Serve Your Most Important Constituents*

Jenzabar CX Student Affairs helps your institution provide a higher quality of student life to your most important constituents. The module's powerful record management functionality supports residence life, career services, safety and security, and student health. These crucial student records are fully integrated with student information systems across the campus—including student financial records, so student billing information is immediately available to your administrative staff—and supported by powerful communication management tools. Jenzabar CX Student Affairs enables you to provide highly effective student service, and enhance your most vital relationships.

## Manage Student Information

- Track housing and roommate selections
- Maintain student employment information, including employers and positions
- Maintain student history, including housing, health profile, career planning, and counseling services

## Manage Counseling Services

- View profile information accumulated from student admissions applications
- Review student grades
- Track letters sent to a student's parent or guardian from any campus office
- Determine student financial status with your institution, including outstanding bills, fees, fines, and holds
- Examine student campus driving records
- Maintain campus incident records to comply with Public Law 101-542

## Manage Residence Assignments

- Assign students to specific housing and determine housing availability
- Record and retrieve meal plan information

## Manage Vehicles on Campus

- Display and collect information on student-owned and operated vehicles
- Ensure that fines appear on student bills
- Place holds on grades, transcripts, or graduation, based on outstanding fines

Student Affairs: Housing and Services

## Record and Track Student Health Information

- Maintain and protect confidential student data
- Track student insurance information
- Enter or view an unlimited number of health incidents for each student

## Guide Students in Career Planning

- Identify a student's academic strengths and weaknesses
- Review and enter student interests and activities
- Produce skill inventories for students who have started the interview process
- Identify open positions and display upcoming interviews

#### The Jenzabar® Advantage

In today's competitive world, institutions of higher education need every advantage to achieve their mission and goals—from innovative software to strategic expertise and client-tailored services. Find it all in one place, delivered by a strong technology partner dedicated to your success: that's the Jenzabar advantage. Our family of fully integrated products includes:

- ▶ Award-winning, proven ERP systems ▶ Constituent relationship modules & award-winning campus portal ▶ Learning management system ▶ Retention management solution ▶ Institutional intelligence solutions ▶ Continuing education systems

### Build Lifelong Relationships with Jenzabar

You can further extend the functionality of Jenzabar CX through our constituent relationship modules (CRMs), which let you offer Web-based self-service to all constituents. CRMs provide tight integration between Jenzabar CX and our Web portal, Jenzabar's Internet Campus Solution. From applicants to alumni, your constituents can access administrative and academic data anytime, anywhere via the portal—and the data they enter into any Jenzabar CRM is integrated with Jenzabar CX. Jenzabar gives your institution the power to build lifelong relationships with every constituent—so candidates become students, students become graduates, and alumni become donors.

Count on Jenzabar for comprehensive solutions that help you manage data throughout the student lifecycle and across the campus. From Admissions to Advancement, we're with you all the way to maximum success.
